**RE: Letter of Support for Mr. Adolf Zubia & Mr. Ron Lynn**

Dear Chairman Bailey:

California Building Officials (CALBO) has a vested interest in supporting the most well qualified candidates for the International Code Council (ICC) Board of Directors and Executive Committee. This letter is written to solidify our support for the candidacy of Mr. Adolf Zubia for the position of ICC President and Mr. Ron Lynn for the position of ICC Vice President. Our first-hand experience with each candidate has assured us of their qualifications and abilities to serve the ICC membership well if elected respectively to the President and Vice President positions.

Mr. Zubia and Mr. Lynn have both demonstrated considerable leadership in their previous positions on the ICC Board of Directors and have found value in working together for common goals. CALBO has been heartened to see two prospective figureheads for ICC working together in such a dynamic fashion, seeking to move forward mutual goals that will benefit the ICC membership in a positive manner. Such actions of leadership are not always commonplace, particularly within political environments. CALBO commends each candidate on their leadership and works forward to working with them in new capacities, if elected.

This letter is offered to the ICC Nominations Committee with sincere support for Mr. Adolf Zubia for ICC President and Mr. Ron Lynn for ICC Vice President. Should CALBO be able to provide any further insight or comments regarding our experience with Mr. Adolf Zubia and Mr. Ron Lynn, please do not hesitate to contact us directly.

Best regards,

Jay Elbettar, PE, CBO  
President
